## SPECIALTY CLASSES

## Earth, Wind, Inspire

\$114

Neither rain, nor sleet, nor snow will prevent us from having a great time this session of Mad Science. We'll learn all about weather as we explore meteorology, and then get blown away while we learn about wind. Take a voyage to the center of the earth as we investigate how our planet formed. Discover how science is used to solve crimes, and take home your own I.D. kit. Learn all about pulleys. Levers and catapults in Mad Science Machines. Discover first-hand how movie special effects are created. Turn your kitchen into a virtual lab as you learn about chemical reactions that take place there. You won't want to miss a minute of this exciting series! All this and more, this session of Mad Science! Parents may observe from the back of the classroom!

No Class 5/27

Instructor: Mad Science of the Bay Area

## SAN JOSE AFTER SCHOOL

### Hank Lopez Area

San José After School is a partnership by the City of San José, with school districts, community-based organizations, teachers and parents to provide safe, fun and enriching activities for youth after school.

After school programs promote healthy youth development and student learning. This includes homework centers and tutoring, recreation, arts, and enrichment activities, and technology centers. Youth will enjoy safe, fun, and enriching activities at sites located throughout San José.

There are wonderful after school programs in your area. For more information about schools, libraries, and centers offering afterschool programs, please contact 408-277-5238.

#### Types of Programs

**Level 1: Homework Assistance.** Level one sites offer afterschool homework help at many locations in San José.

**Level 2: Safe and Accessible After School Programs.** Level two sites offer integrated recreation and literacy and math enrichment programs.

**Level 3: Integrated and Comprehensive approach After School Programs.** Level three sites integrate literacy, leadership, education, nutrition, cultural arts and recreation activities.

**Please contact your Community Center for more information on program site levels.**

## ARTS & CRAFTS

### Art Adventures

\$91

Children embark on an imaginary journey filled with fun and fantasy! In this spectacular class, designed specifically for pre-schoolers, students experience each of the art disciplines: creative drama, dance, music and visual arts. Each class presents a different theme with fun and engaging activities. Through this course, pre-schoolers develop skills to prepare them for the next stage of growth: creative expression, movement and motor skills, socialization, language development and math concepts. From the ocean to the jungle, royal castles to safari scenes, children set off on a course of adventure with costumes, props, music, arts and crafts, and lots of imagination!
